Work Experience

Indiana Army National Guard | Lafayette, IN   *February 2013 – April 2020*
Senior Information Technology and Local Area Network Manager / Sergeant, E-5

- Performed senior operator and systems administrator duties and unit level maintenance functions on assigned computer systems for over 200 end users.
- Compiled production report data and quality control information to keep command team informed on progress and potential issues.
- Built and maintained a critical Brigade-level file sharing server for use in overseas operations by over 300 end users.
- Assisted less experienced soldiers in the installation, operation, and maintenance of information processing equipment.
- Drafted program operations manuals and technical documentation utilized by subordinates, peers, and superiors.
- Implemented, configured, and maintained mission critical satellite communication systems that provided network capabilities in austere environments.
- Was granted and maintained a security clearance throughout entire contract.

Dick's Sporting Goods | Valparaiso, IN   *July 2015 – November 2020*
Freight Flow Leader / Key-Holder

- Supervised up to four associates in the operations team of the store and was directly responsible for their performance.
- Frequently opened and closed the store in the role of an assistant manager and managed the sales floor to facilitate positive store metrics to achieve and exceed set daily goals.
- Managed the loading and unloading of trucks and was responsible for receiving all deliveries to ensure accurate inventory.
- Managed Ship from Store (SFS) and Buy Online and Pick Up in Store (BOPIS) operations for online purchases and ensured daily orders were packed and shipped on time.
- Carried out general store maintenance and was responsible for the upkeep of fire and theft prevention systems.
- Built excel programs that streamlined required data processing tasks for store management.

Goodrich Quality Theaters | Portage, IN   *August 2012 – July 2015*
General Staff

- Pleasantly and courteously interacted with and assisted theater patrons that resulted in being awarded employee of the month on four separate occasions in the company's second largest theater.
- Operated concession and refreshment stands before, during, and after showings.
- Conducted regular maintenance duties that included cleaning and repair throughout the theater.
